

NAME: Haider Kadhim Hussein

DATE: Jun 2016

Position Title Microbiologist
Organization Al-Nahrain medical college-medical
research institute
Location Baghdad
Citizenship Iraqi
Continuous Service 08-Agu-2003
Phone Number +9647901315232
Email Address hayderkhadum@yahoo.com

Professional Licenses and Societies

1- Iraqi economist

Education and Personal Development Programs

<u>Degree, Certificate, Etc.,</u>	<u>School</u>	<u>Major (Or Subject)</u>	<u>Date</u>
1- Master degree Toxicology and forensic science	Jordan University of science & Technology	toxicologist (very good)	2008-2010
2-B .Sc Degree Microbiologist	Al-Mustansiryah University/ (Evening Study) collage of science	Microbiologist	1997-2001
3- B .Sc Degree Industrial management	Al-Mansour University collage	Industrial management	1991-1994
4-Preparatory school	Baghdad collage high school	Baccalaureate	
5-Intermediate School	Baghdad collage Intermediate school	Baccalaureate	1987-1990
6-Primary school	Al-MAKASIB	Baccalaureate	1984-1987 1979-1984

Other Significant Information

(Examples of Relevant Information That Might Be Included Here)

Personal: Internet ,Traveling (visiting UK 2004-24-06 and 2006-10-05), swimming , reading and music living in Jordan 2007-2011

Language Arabic (Mother Tongue), English (Read, Write Easily and Talk Fluently)

Capability: I have ability to do pathological analysis (pathogenic Bacteriology ,Serology ,Medical parasitological ,Medical mycology& General laboratory analysis) , Also I have ability in working in molecular engineering in medical institute in Al-Nahrain medical collage
DNA,RNA Extraction from human tissue ,bacteria ,PCR technique, plasmid extraction and electrophoresis for DNA,RNA from 2003 till 2007 from .2012-till now Experiment in PCR and how to prepare primers dilution ,find th annealing Tm , real time PCR using sybeer green, tag man techniques present absent bicon and genetic analyzer

I worked as researcher assistant for 5 MSc students and 2 Phd student ,

I have ability to manage my private medical lab 2001 till 2010 (planning , financials activities)

Memberships:

Iraqi economic Union , Iraqi Computer Union

Scientific activities

- 1- Six Months in computer course in 1996 (Dos6.22, Nc Norton Commandor , window 95, word , and excel at national computer center
- 2- I have taken course in English languish within two months in 1997
- 3- I have taken in a French languish within one month at center cultural Frances in 1997
- 4- I have taken course in filed of Pathologic analysis (Photographic Bacteriology, Serology, Medical Parasitological, Medical Mycology & general laboratory analysis). For two months in 1998 at the collage of science / Al-Mustansiriyahh University.
- 5- Starting January 2001 till 2002, I worked in privet medical lab. For Pathological Analysis as Pathologist..
- 6- I have been participated in the chromosomal preparation course held in the medical researches center belonging to Al-Nahrine University from Feb-12-2005 up to Feb-14-2005
- 7- From 2001-2002 I have training in Lab , for Pathological Analysis in Rustimayah South WWTP
- 8- In 2001-2002 In have training in QC at Karbala'a caning and Samra'a factories.
- 9- 2008-2009 Ethics in research
- 10- 2009 Training cores accredited by Jordan Medical Council and gained credit hours
- 11- 2009 Health Research Ethics & IRB Review experience for public and private Health Sectors
- 12- 2009-2010 Courses in medico-legal laws
- 13- 2009-2010 Courses in Family violence
- 14- 25-27 /6/2010 training course accredited by Jordan medical council and gained N/A credit hours
- 15- 26-29/7/2010 training course accredited by Jordan medical council and gained N/A credit hour
- 16- 2009-2010 **Thesis in METHOXYPHENYL CIPRO; EVALUATION OF ANTIMICROBIAL ACTIVITY AND SAFETY INDEX (microbiology, biochemistry analysis)**
- 17- 5-8/5/2014 work shop in foundation topic on forensic in using genetic technique
- 18- 11-12/5/2014 bio safety in biocenology /al-Nahrain university DNA research &training center
- 19- 2014 special course in using real time PCR in genetic deceases as teacher
- 20- 4-5/2/2014 special course in primer design in forensic DNA research &training center as teacher
- 21- Real time PCR technique as a lecture in forensic DNA research &training center as teacher
- 22- Real time PCR technique as a lecture in forensic DNA research &training center as teacher
- 23- thanks documented from Al-nahrain chairman
- 24- two thanks documents from my research's center head
- 25- In scientific research we will proceed to reach ferity 4-5/11/2015
- 26- Foundation topics in forensic 5-8/5/2014
- 27- International Conference on Molecular biological 27-29-11-2015 Turkey
- 28 - International Conference of biology 6-10-2-2015 baghdad
- 29-Aljassor company of training and statical consulting (training of trainers)30-1-2016
- 30 –special course in forensic chemistry 2014 as teacher
- 31-speatial course in parasitology in Baghdad university biology department 2014-2015 as teacher
- 32-speatial course in parasitology in Baghdad university biology department 2015-2016 as teacher
- 33-DNA extraction methods course in Wahaj ALDANA scientific company as teacher 2015,for 1 week
- 34 DNA extraction methods course in Wahaj ALDANA scientific company as teacher ,2016 for 1 week
- 35 PCR technique training course Wahaj ALDANA scientific company as teacher 2015,for 1 week
- 36- PCR technique training course Wahaj ALDANA scientific company as teacher 2016,for 1 week
- 37 course in laboratory analysis in Al-Nahrain university –chemical department 2016 for 3 weeks

2012-till now	Al- Nahrain in forensic DNA research &training center	I have experience In DNA Extraction from blood , bachel swab, Nile hair samples, real time PCR Study and Planning Division official
2014 till now		
2003-2008	Al-Nahrine Medical College medical research center	<ul style="list-style-type: none"> I have experience In molecular engineering in medical institute (DNA,RNA Extraction from human tissue ,bacteria ,PCR technique, plasmid extraction and electrophoresis for DNA,RNA).
2001- 2011	Al-Taif Laboratory for Medical	<ul style="list-style-type: none"> I have worked as auditor of procurements. I worked on ELISA instrument for Serology analysis, minvoidous instrument and automatic absorption instrument for biochemistry analysis Worked as advisor for higher education students I have managing my private medical lab for pathological analysis as pathologist and management as specialist I trained a technician trainee on pathological analysis
1998-2001	Tile factory	<ul style="list-style-type: none"> Worked as a selling manager for this factory I have been worked in a procurement committee.
1995-1998	Abdul-Majid Hospital	<ul style="list-style-type: none"> I have worked as auditor of procurements Administration manager I have been worked in a procurement committee. I have worked as auditor of procurements. I worked as a storage manager.

Any recommendations or questions about my microbiology background will submitted upon request.
